

# ★ T12 \$2 BONUS REBATE WRAP-UP! ★

After a successful career as a celebrity in the lighting rebate program, the T12 Bonus Rebate will be retiring.\*

Austin, Owatonna, and Rochester Public Utilities have announced the final curtain call. The spotlight will shine on the \$2 bonus rebate (per qualifying lamp installed) only through 2012 – then it's a wrap!

1 Contact a utility representative for pre-approval and availability of funds. (Projects completed by an Energy Solutions Partner (ESP) may qualify for interest free financing. Call your account representative for details.)

2 Replace your existing T12 lighting with T8, super T8, low wattage T8, or T5 lighting between January 1 and December 31, 2012.

3 Complete this Bonus Rebate Form, along with a standard Commercial Lighting Rebate Application (with new, increased rebates making their debut in 2012!), and submit them together by March 31, 2013, to your utility:
