CONSERVE & \$AVE[®]

WATER EFFICIENCY REBATES FOR 2011

TEAMING UP TO SAVE YOU MONEY

WATER EFFICIENT APPLIANCES & EQUIPMENT

Water efficient appliances and equipment are designed to provide the same quality performance, but with the added benefit of water savings. You'll save money on water bills and help the environment by using less of our valuable natural resources.

CONSERVE & SAVE[®] REBATE PROGRAM

Austin Utilities, Owatonna Public Utilities, and Rochester Public Utilities are offering dozens of rebates, through our **CONSERVE & SAVE[®]** Rebate Program, to customers who purchase and install water efficient products. **Here's how CONSERVE & SAVE[®] works:**

- 1) Purchase water efficient products (see list at right) that meet our Minimum Efficiency Requirements. *(see applications for complete terms and conditions)*
- 2) Get a rebate application from your dealer, contractor, utility, or download them from:
 - www.austinutilities.com
 - www.owatonnautilities.com
 - www.rpu.org
- 3) Fill out the application completely, attach your sales receipt and any other required documentation, and send it to your utility.
