

FOR BOARD ACTION

Agenda Item # 5

Meeting Date: 12/18/12

SUBJECT:

SLP Decommissioning Plan Update

PREPARED BY:

Wally Schlink, Director of Power Resources

ITEM DESCRIPTION:

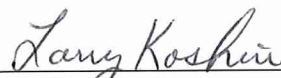

At the August 7, 2012 Board Meeting the Rochester Public Utilities Board approved a resolution directing “staff to develop, implement and execute a plan, using the 2012 Update as a guideline, to decommission the Silver Lake Power Plant by December 31, 2015 or sooner.”

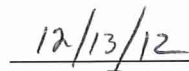

Further the term “decommission the Silver Lake Plant” was meant *to mean to cease coal burning and electric generation, while retaining the potential to generate steam for Mayo using natural gas until 2025.*

Staff will present an overview of the process that has been put in place for the decommissioning plan development.

UTILITY BOARD ACTION REQUESTED:

This item is for discussion only. No action will be requested.
