Special Provisions:

1. Customer requests that CNEG reserve and make available upon Customer's request, on any day during the Term, Firm Gas up to the Daily Firm Contract Quantity. Subject to the terms and conditions of the Agreement and this Transaction Confirmation, CNEG agrees to reserve and make available to Customer at Customer's request, on any day during the Term, Firm Gas up to the Daily Firm Contract Quantity. This Transaction Confirmation reflects only the reservation by CNEG of Firm Gas supply up to the Daily Firm Contract Quantity. The Parties will enter into a separate Transaction Confirmation at the time and each time that Customer requests physical delivery of Gas. The price of Gas delivered by CNEG will be the Contract Price and will be reflected in such separate Transaction Confirmations.
2. In consideration of CNEG reserving and making available to Customer Firm Gas up to the Daily Firm Contract Quantity, Customer agrees to pay to CNEG a monthly fee ("Monthly Fixed Fee"). The Monthly Fixed Fee is determined to be the Daily Firm Contract Quantity times the Rate. The Monthly Fixed Fee is in addition to (i) the Contract Price for Gas supply under the Agreement, (ii) distribution charges assessed by the Utility, or (iii) if applicable, services provided by CNEG under other agreements. Invoicing and payment of the Monthly Fixed Fee will be in accordance with the Agreement.
3. Delivery Obligation: CNEG shall be obligated to deliver Firm Gas up to the Daily Firm Contract Quantity to the Delivery Point. CNEG's delivery obligation may only be suspended without liability as a result of events prohibiting CNEG's Gas supply from entering the interstate pipeline upstream of the Delivery Point (e.g., well freeze-offs) or the allocation, disruption or interruption of primary firm transportation service by the upstream Transporter to the Delivery Point. In the event the upstream Transporter declares an event of Force Majeure or other condition that limits, allocates, interrupts, or in any manner affects the supply or transportation of natural gas for the maintenance, repair, overhaul, replacement or construction of any facilities or equipment; or to assure the availability of capacity equitably, then CNEG may reduce or suspend service under this Transaction Confirmation for the duration of the limitation, allocation or interruption without liability.
4. Customer agrees that for so long as this Transaction Confirmation is in effect, CNEG will be Customer's exclusive Gas supplier for all of Customer's Gas supply requirements to the Delivery Point.
5. At the end of the Term set forth above ("Initial Term"), this Transaction Confirmation will automatically renew for successive twelve month periods (each a "Renewal Term") unless terminated by either Party giving the other Party written notice no less than sixty (60) days prior to the end of the Initial Term or any Renewal Term.

Please confirm that the foregoing correctly sets forth the terms and conditions of our agreement by returning via facsimile to the number 402-829-3903 an executed copy of this Confirmation within five (5) Business Days (or as agreed upon in the Agreement applicable to this transaction) of your receipt of this Confirmation, to the attention of Contract Administration. Failure to respond within such period will not affect the validity or enforceability of this Transaction, and shall be deemed to be an affirmation of the terms and conditions contained herein, absent manifest error.
