

FOR BOARD ACTION

Agenda Item # 4.a.

Meeting Date:

9/30/08

SUBJECT: CONSIDERATION OF QUOTES:
MANHOLES - 50th AVE NW DUCT EXTENSION

PREPARED BY: Steven J. Cook
Senior Electrical Engineer

ITEM DESCRIPTION:

Rochester Public Utilities has received quotes from two different manufacturers to provide manholes for the extension of the 50th Ave NW Manhole and Duct System.

Of the two quotes, only the one from Oldcastle Precast was complete and included the requested metal grade ring and cover. (The requested metal grade ring and cover has a value of approximately \$915 based on RPU's purchases in June 2008)

Staff recommends issuing a Purchase Order to Oldcastle Precast as the low apparent conforming quote for the purchase of up to nine manholes for this project.

QUOTE SUMMARY

<u>Manufacturer</u>	<u>Unit Price</u>	<u>Extended (qty 9)</u>
Oldcastle Precast	\$9,368.46	\$84,316.14
Wieser Precast Steps	\$9,350.00	\$84,150.00

FOR CAPITAL PURCHASES/BIDS/MAJOR PROJECTS:

Both quotes were within tolerance of the engineering estimate. This project was identified within the 2008 Engineering Budget Allocation and is within budget parameters.

UTILITY BOARD ACTION REQUESTED:

Staff recommends that the Board approve a purchase order agreement with Oldcastle Precast for up to nine manholes in the amount of \$84,316.14.
