## SECTION B. REBATE APPLICATION CHECKLIST

Use this checklist to complete the steps to receive your rebates:

- ☐ 1. Read the following terms and conditions to determine if you are eligible for a rebate:
  - Only one service address per application.
  - Rebates are intended for customers, not contractors or builders.
  - The Utility reserves the right to apply rebates to past due accounts. Rebates \$75 and under will be applied to your account. Rebates will not exceed the purchase price.
  - Energy-efficient equipment must be connected to an electric service supplied by Austin Utilities, Owatonna Public Utilities, or Rochester Public Utilities and is subject to inspection.
  - Purchase **NEW** products. Reconditioned, refurbished, or second-hand equipment is not eligible for a rebate. Products replaced under warranty or provided through a repair/replacement service agreement are not eligible for a rebate.
  - Equipment must meet our Minimum Efficiency/Eligibility Requirements to qualify for a rebate.
  - Due to limited funding, this rebate offer can be withdrawn at any time without notice. Applications will be processed on a first-come, first-served basis. All applications from this year's purchases (2025) must be received by March 31, 2026.
  - Rebates can only be offered on equipment that is purchased while funding is in effect. In the event our program is discontinued due to depleted funds, we will not provide a rebate for items purchased between the discontinued date and the end of that year.
- ☐ 2. Complete the application, making sure to fill out all required sections in detail. Allow 6-8 weeks for processing. Missing or incorrect information will increase the processing time.
- ☐ 3. Include a final, detailed copy of the original sales receipt, invoice, or picking slip showing the customer name, date of sale, manufacturer name, model number, and size. Also include a photo of the e-Bike serial number and a copy of the manufacturer's published specification showing the performance and other technical characteristics of the e-Bike (used to verify that it meets the rebate qualifications).
- ☐ 4. Sign the application.
- ☐ 5. Information contained in this rebate application may be shared with the Minnesota Department of Commerce and our co-op partners.
- ☐ 6. Submit completed forms and required documentation to your utility provider:
