## SECTION C. REBATE APPLICATION CHECKLIST

Use this checklist to make sure you have completed the necessary steps to receive your rebates:

- 1. Read the following terms and conditions to determine if you are eligible for a rebate:
  - Only one installation address per application.
  - Rebates are intended for customers, not contractors or builders.
  - Rebates \$500 or less will be issued as a bill credit to your account. Rebates will not exceed the purchase price. Rochester Public Utilities (RPU) reserves the right to apply rebates to past due accounts.
  - To qualify for a rebate, battery-powered lawn equipment must be charged where an active electric service is supplied by RPU and is subject to inspection.
  - Purchase NEW products that meet our minimum efficiency requirements. Reconditioned, refurbished, or second-hand equipment is not eligible for a rebate. Products replaced under warranty or provided through a repair/replacement service agreement are not eligible for a rebate.
  - Due to limited funding, this rebate offer can be withdrawn at any time without notice. Applications will be processed on a first-come, first-served basis. All applications from this year's purchases (2026) must be received by March 31, 2027.
  - Rebates can only be offered on battery-powered lawn equipment that is purchased while funding is in effect. In the event our program is discontinued due to depleted funds, we will not provide a rebate for items purchased between the discontinued date and the end of that year.
- 2. Complete the application, making sure to fill out all required sections in detail. Allow 6-8 weeks for processing. Missing or incorrect information will increase the processing time.
- 3. Submit original receipts/invoices showing the make, model, quantity, and price of all equipment purchased, and the date purchased.
- 4. Sign and date the application.
- 5. Information contained in this rebate application may be shared with the Minnesota Department of Commerce and our co-op partners.
- 6. Submit completed forms and required documentation to RPU.
