SECTION C. REBATE APPLICATION CHECKLIST

Use this checklist to make sure you have completed the necessary steps to receive your rebates:

1. Read the following terms and conditions to determine if you are eligible for a rebate:
 - Only one installation address per application.
 - Rebates are intended for customers, not contractors or builders.
 - Rebates \$500 or less will be issued as a bill credit to your account. Rebates will not exceed the purchase price. Rochester Public Utilities (RPU) reserves the right to apply rebates to past due accounts.
 - To qualify for a rebate, ENERGY STAR Level 2 Connected EV Chargers must be used where an active electric service is supplied by RPU and is subject to inspection.
 - Purchase NEW EV chargers that meet our minimum efficiency requirements. Reconditioned, refurbished, or second-hand equipment is not eligible for a rebate. Products replaced under warranty or provided through a repair/replacement service agreement are not eligible for a rebate.
 - Due to limited funding, this rebate offer can be withdrawn at any time without notice. Applications will be processed on a first-come, first-served basis. All applications from this year's purchases (2026) must be received by March 31, 2027.
 - Rebates can only be offered on equipment that is purchased while funding is in effect. In the event our program is discontinued due to depleted funds, we will not provide a rebate for items purchased between the discontinued date and the end of that year.
2. Complete the application, making sure to fill out all required sections in detail. Allow 6-8 weeks for processing. Missing or incorrect information will increase the processing time.
3. Include a final, detailed copy of the original sales receipt, invoice, or picking slip showing the customer name, date of sale, manufacturer name, model number, and size.
4. Sign and date the application.
5. Information contained in this rebate application may be shared with the Minnesota Department of Commerce and our co-op partners.
6. Submit completed forms and required documentation to RPU.
